Dear Sir:

Applicants received a Notice of Abandonment dated September 9, 2002, citing Applicants' failure to timely submit formal drawings.

However, on July 22, 2002, Applicants had filed the drawings required with a certificate of mailing under 37 C.F.R. § 1.8, and had received the return postcard from the United States Patent and Trademark Office date-stamped August 13, 2002. Therefore, in response to the Notice of Abandonment, Applicants filed a Petition to Withdraw Holding of Abandonment on September 25, 2002, via the U.S. Postal System, and received the return postcard date-stamped September 30, 2002. No response to the Petition to Withdraw Holding of Abandonment was received and the filing of the Petition is not reflected in PAIR.

EV784616840US

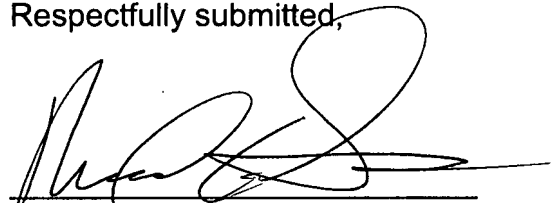

On September 25, 2007 Applicants filed a Status Inquiry via the PAIR electronic filing system and provided a copy of the Petition to Withdraw Holding of Abandonment along with the returned postcard stamped September 30, 2002, for which an Acknowledgement Receipt was received by Applicants. No response to the Status Inquiry was received and the filing of the Status Inquiry is not reflected in PAIR.

In response to instructions received during a recent telephone interview with Angela Sykes, SPE, Group Art Unit 3762, Applicants are re-submitting the filed papers via the U.S. Postal System. Therefore, copies of the Status Inquiry filed via PAIR, the Acknowledgement Receipt acknowledging receipt of the Status Inquiry, and of the Petition to Withdraw Holding of Abandonment and the return postcard are attached.

Please advise as to the status of the application and direct any response or inquiry to the below-signed attorney. The Examiner is encouraged to call the undersigned to facilitate resolution of this inquiry.

PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. 1.181(a)

Commissioner for Patents
Washington D.C. 20231

Dear Sir:

Applicants have received a Notice of Abandonment dated September 9, 2002, citing Applicants' failure to timely submit formal drawings.

On July 22, 2002, Applicants filed the drawings required with a certificate of mailing under 37 C.F.R. § 1.8. Applicants received the return postcard from the United States Patent and Trademark Office date-stamped August 13, 2002. Copies of the papers filed, the return postcard and a copy of the Notice of Abandonment dated September 9, 2002 are attached for the Examiner's review.

Because the formal drawings were filed and receipt of such was acknowledged by the United States Patent and Trademark Office, Applicants believe the Notice of Abandonment was issued in error. Applicants respectfully request withdrawal of the holding of abandonment and further examination of the above-referenced patent.

It is assumed that the petition fee of \$130.00 is not required in this case.

However, if such fee is deemed to be required, it should be charged to the undersigned's Deposit Account No. 13-2546.

Respectfully submitted,
